

## CHAPTER V

### CONCLUSION AND SUGGESTIONS

This chapter presents the conclusion and suggestion from the researcher based on the done in teaching reading comprehension.

#### 5.1 Conclusion

Based on the findings of the research and discussion in chapter IV, then proposed the following conclusion:

The strategies that the lecturer used in teaching reading comprehension in STKIP PGRI Sidoarjo was the SQ3R lecturer used these strategies made the student understood the reading text and the students more focus on the text, also lecturer could help students in developing the meaning of the text reading that made students more easily understand the contents of reading.

The strategy used by the lecturer is SQ3R. This strategy was used so that students understand the contents of the reading. Based on this research. Those strategies were effective in teaching reading comprehension because can help student to comprehend the text. In short those strategies gave good contribution for lecturer. With used this strategy the lecturer ore easily gave the material to the students. Those strategies could help the lecturer because the students more active. And the students could echange their opinion with their friends.

## 5.2 Suggestion

Based on the conclusion above, the researcher would offer some suggestion it is hopefully can be useful for:

### 5.2.1 For the Lecturer

This research should improve the quality of the lecturer in teaching English.

lecturers strategies must be applied because this is the lecturers way to determine learning goals during teaching learning process.

### 5.2.2 For the students

The students should more understand about reading comprehension and enjoy with his lesson.

### 5.2.3 The next researcher

The researcher should conduct this research in wider area. Further researchers can conduct research on lecturer strategies used by an English Lecturer that are important in teaching and learning process. So that the results will be more profitable and applied over a wider area.
