## CHAPTER 5

### CONCLUSION AND SUGGESTION

After collecting data from questionnaires and written interviews about the implementation of the learning process through Google Classroom at SMA TRIBHAKTI Tanggulangin, this chapter presents the following conclusions and suggestions:

#### 5.1 . CONCLUTION

The researcher drew some conclusions based on the findings and discussions. The implementation of teaching learning using Google classroom:

1. There is still a need for habituation of online learning
2. The use of Google Classroom really helps the learning process
3. Benefits other than learning in accordance with core subjects, namely providing IT learning for students,
4. In using the application, the teacher is easier to process the scoring of student work
4. The Google Classroom application can increase vocabulary for students

#### 5.2. SUGGESTIONS

<sup>1</sup> At the end of this chapter, the researcher would like to propose some suggestions, which hopefully would be useful:

##### **For Teachers**

1. Still need socialization, especially for subject teachers to use the application
2. Teachers still need teachers
2. There is still a need for improvement and improvement of teacher creativity in processing data that will be attached to Google Classroom.

##### **For a student**

1. There is still a need for intensive motivation for students

2. Students need to get used to following the learning steps according to online teacher instructions

**For other Researchers**

1. This research can be used as a reference for further research

2. This research can be used to determine other strategies in the learning process during the Pandemic.
