"Education value is a form of activity to develop the expression of existing values through systematic and critical processes so that they can improve or improve the cognitive and affective quality of students"

3. Freedom Writers Movie

A young teacher inspires her class of at-risk students to learn tolerance, apply themselves and pursue education beyond high school. Woodrow Wilson High School is located in Long Beach, California. The school is voluntarily integrated, and it isn't working. The Asians, the blacks, the Latinos, and a very few whites not only don't get along but also stay within their cultural cliques and are part of protective and violent gangs. There isn't much teaching or learning going on at the school. It is a warehouse for young teenagers until they can drop out or are kicked out.
